

ASTRO RACE

Deluxe Model

Most exciting new video game featuring spaceplay action in the cosmos. Manage the ship of your side to pass through a minefield without crashing into it.

Standard Model

HOW TO PLAY

1. Push the starting button. Spaceplay will appear along the bottom of the screen.
2. Control the ship by the control lever. Pushing the lever forward permits the ship to go upward, and pushing the lever toward yourself allows the ship to go downward.
3. Player scores points when he succeeds

to pass the ship through the minefield. Compete with the opposite player for the highest score.

4. When the ship comes into collision, it disappears and returns to the start.
5. Adjustable playtime from 1.5 to 6 minutes. The bar at the center of the screen indicates the time elapsed.
6. Push the replay button/red to start the second game.

FEATURES

1. Large 18-inch TV screen.
2. Adjustable game points.
3. Built-in speaker system captures the

realistic flight sound of the spaceship.

4. Scores are indicated at the upper part of the cabinet.
